

Ceremony and reception at Old Michelmersh Farm

- Re-arrangement of furniture and trees as the day requires.
- Teas and coffees, made by us, after your meal, served in our vintage china to wherever guests choose to relax, garden or barns.

- All glassware including bar.
- Use of our rustic bar, fully staffed (but please limit your bar menu if you would like us to run your bar).
- All refrigeration of your alcohol where appropriate.
- Car parking in the farmyard for guests and suppliers designated by you, and fully marshalled field parking.
- Loos well-stocked and frequently checked, cleaned and refreshed.
- Access to our taxi and accommodation lists to ensure that your wedding ends sweetly at 1030pm.

Total is £5,200

This total includes pretty much everything really, apart from food and alcohol. We've assumed that a wedding and reception for 30 guests would last up to 6 hours.

You are welcome to bring your own professional caterer: we will offer use of our staff for service of your meal if required and the fee for this is not included in this quote. However, it does include service of your drinks and canapes after your ceremony, and we ask that we do this, not your catering staff. And, of course, we stay on hand all day, serving teas, coffees, drinks and generally making your guests feel special.

We will supply and arrange all flowers at the venue, but ask you to provide your own bridal bouquet, buttonholes etc.
