

Ceremony and reception at Old Michelmersh Farm

50 day guests, further evening guests

2021/2022

This guide prices assumes the following:

- Full planning by us in collaboration with you, rehearsal in the week before your wedding, plus a Responsible Person on the day (designated by the registrars) to oversee the formalities.
- Overnight security the night before the wedding, so that you can leave alcohol or anything else here with peace of mind.
- Use of our lovely bridal room before the ceremony or all morning to get ready if you prefer.
- Ceremony in Long Barn 1.
- Full decoration by us of Long Barn 1 using large-scale drapes, trees, ivy and flowers. The aisle will be lined by flowers and the bride will approach it through a birch forest.
- Use of our antique chairs for your ceremony.
- Confetti line-up and drinks and photos, outside if fine, in Long Barn 1 if not, among the birch trees (there is plenty of room)
- Your wedding breakfast will be set up in Long Barn 2.
- There will be simple, wooden folding chairs.
- Your tables will be rustic trestles arranged in a horse shoe shape or banqueting style all the way down the barn. There will be pretty flower decorations.
- Fine linen napkins.
- Professional sound staff and system for music during your ceremony, for speeches after your meal and for any background music chosen by you in the day, up to the end of your meal.
- Use of our vintage outdoor and indoor furniture for your guests' relaxation.
- Re-arrangement of furniture for your evening in Long Barn 1 while you eat in Long Barn 2: we will also arrange outside furniture for the evening.
- Teas and coffees, made by us, after your meal, served in our vintage china to wherever guests choose to relax around site, barns or garden.
- Service by us if required for your guests' evening grazing table, or management by us if you use street food.

- Full, low-key management throughout the day, no bossiness.
- Full service all day by staff who care.
- Full use of our selection of vintage tables etc for cake-cutting, signing book etc.
- Use of our rustic bar, fully staffed (but please limit your bar menu if you would like us to run your bar).
- All glassware including bar.
- All refrigeration of your alcohol where appropriate.
- Car parking in the farmyard for guests designated by you, fully marshalled field parking for all other guests.
- Loos frequently checked, cleaned and refreshed.
- Access to our taxi and accommodation lists to ensure that your wedding ends sweetly at 1030pm.
- Corkage is normally charged at £5/head and this is included in this proposal.

Total is £7350

This total includes pretty much everything really, apart from food and alcohol.

You are welcome to bring your own professional caterer: we will offer use of our staff for service of your meal if required and the fee for this is not included in this quote. However, it does include service of your drinks and canapes after your ceremony, and we ask that we do this, not your catering staff. And, of course, we stay on hand all day, serving teas, coffees, drinks and generally making your guests feel special.

Our rustic bar is available if you are supplying your own alcohol and limit your bar menu: we charge for staffing, refrigeration and glassware and that has been included in this fee proposal. If you prefer to bring in an outside bar, we can make recommendations.

We will supply and arrange all flowers at the venue, but ask you to provide your own bridal bouquet, buttonholes etc.
