

Ceremony only at Old Michelmersh Farm

For couples who wish to marry here and then hold their reception elsewhere

We hold spectacular wedding ceremonies for between six and two hundred people amid trees and flowers in our magnificent barns.

Our fee includes:

- Field and farmyard parking supervised by friendly car park marshals.
- Full decoration by us of Long Barn 1 using large-scale drapes, trees, ivy and flowers. The aisle will be lined by flowers and the bride will approach it through a birch forest. We supply and arrange all flowers except the bridal bouquet and buttonholes.
- Rehearsal time in the week preceding your wedding.
- A lovely and spacious bride's room for the bridal party before the wedding.
- A responsible person designated by the registrars to oversee the formalities.
- Staff who love weddings and want you to have the best day possible.
- Microphones if you have over 100 guests.
- A confetti line up outside - or inside among the birch trees if it rains: there is plenty of room.
- Drinks and canapes reception after your ceremony and plenty of photo opportunities – we allow three hours in total.

We charge **£2000** to couples who wish to marry here and then move on to another venue – whether they have a handful of guests or 200.

The fee does not include alcohol, which you are welcome to supply yourselves with no corkage (we will refrigerate where appropriate and of course serve it), and it does not include canapes – but we are happy to supply these.

We will supply and arrange all flowers at the venue, but ask you to provide your own bridal bouquet, buttonholes etc.

Once a date is agreed, please, book Hampshire County Council registrars independently: by law, we unfortunately cannot do this for you.
